THE SENTINEL AT NEW ORLEANS.

To accommodate the throng from the Northwest who will desire to read their favorite home paper while attending the "World's Exposition," the Sentinel has been placed on sale in New Orleans at George F. Wharton & Bro.'s, No. 5 Carondelet street, between Canal and Common streets.

OLD PAPERS.

Good conditioned old papers for sale at this office at only 40 cents per hundred.

CITY IN BRIEF.

The lumbermen will banquet at the Bates House to-night.

The Garden Baptist Church people give an oyster supper to-night.

A sale of Jersey cattle will be had at the Exposition to-morrow morning.

Thursday is the last day for redemption of property sold for taxes in 1883.

The new High School building will be dedicated Friday night. F. F. Kreider will deliver the alumni address.

The stockholders of the Indiana Dental College will elect their trustees at the annual meeting to-morrow at 2 o'clock.

There will be a meeting of the Board of Managers of the Indianapolis Orphan Asylum at 2 p. m. to-night in the institution.

Mrs. C. A. Dryer died Sunday morning of heart disease. She was the oldest daughter of Dr. Levi Ritter. The funeral will take place this afternoon at 2 o'clock from 628 Central avenue.

The Central W. C. T. U. lunch room has just been fitted up at 68 North Pennsylvania street. The management will be glad to see their old customers in their new quarters, as they are now better prepared to accommodate their patrons.

The pupils and friends of Professor E. B. Gresh have tendered him a benefit ball, which will take place to-night at Gresh's Dancing Academy, 26 and 27 Bates block. Invitations have been issued for the affair and must be presented at the door.

The Young People's Christian Temperance Union will hold their regular meeting to-night at Mrs. Moody's, 127 East St. Mary's street. Some excellent music has been prepared, and Mrs. Dr. Swain will read a paper on the "Physiological Effects of Alcohol on the Human System." The exercises will be very interesting, and we hope all friends, young

and old, that are interested in the work will attend the meeting.

Three houses in Indianapolis are entirely surrounded by the water. Ponds are large and numerous.

George Taylor, white, and Mary Paine, colored, were arrested yesterday by Patrolman Harris, on a charge of living in adultery.

Merchant Policeman Carney was yesterday acquitted of the charge of drawing a deadly weapon on Frank Miller, by Squire Feibleman.

The fire department was called out last night to extinguish a blaze in a shed in the rear of Parrott & Nickum's bakery, resulting from a pile of burning ashes.

Edmund Williamson, who was so terribly hurt at the Capital elevator last week, is recovering. It was thought best not to remove the injured eye, and it is getting well. Yesterday he said he could see a little from it.

On next Friday evening Miss Minnie Turpen's benefit will take place at Pfaffin's Hall. She will be assisted by the Cook Comedy Company, playing "Our Wife" and "The Bozzards." Admission, twenty five cents. Tickets for sale at the When.

Mr. Thomas Nast's entertainment for March 19, at English's Theater, will take the form of pictures done by himself with the most astonishing rapidity. They will consist of landscapes, portraiture and caricature. He is assisted by an English monologue artist.

The Board of Trade yesterday passed resolutions endorsing the market-house ordinance introduced into the Council last night, and appointed R. S. Foster, E. E. Martindale, J. H. Holliday, S. E. Bower, W. D. Wiles, N. S. Byram, Allen M. Fletcher, and A. W. Hendricks a committee to work for the successful accomplishment of the matter.

William Lancaster stood behind the bars at the Central Station yesterday with the charge of fugitive written opposite his name. Lancaster is a Marion saloon keeper and was arrested by the police on a capias issued by a party residing in that place, who claims that he had a chattel mortgage on the fixtures used in the prisoner's establishment, which the latter sold without clearing up the mortgage. Lancaster, it is said, was arrested by a constable on Sunday night, but left that individual while he was attending to some other matters.

Thomas Cottrell, Democrat, has been appointed to the vacant Police Commissioner'ship at Indianapolis. The other two members—one Democrat and one Republican—have been for several weeks enforcing the 11 o'clock and Sunday closing law against the saloons. Great interest is felt in the course of the new commissioner. He is naturally a strong partisan, and can be counted on to do whatever is necessary for the success of his party, within the law. —Evansville Journal.

The Wigwam Rink.

The two-mile speed race, free for all amateurs, at the Wigwam Rink last night, was won by Harry Butterfield, over twenty-one competitors, in nine minutes and twenty seconds. The assemblage of spectators was a large one, and the excitement was of a character very like that shown at a horse race. The "old Wigwam" fairly shook with the applause given the skaters at different times. The prize to the victor is a pair of club skates.

Amusements.

The various places of entertainment were open last night with new attractions, but we find it utterly impossible to give detailed accounts of the various programmes. To-morrow morning we will endeavor to do this. The attendance was large and performances satisfactory.

The Franklin Fire Insurance Company offers greater inducements for the patronage of Indians than any other company. Not in the cost of insurance, for that is the same as any other sound, safe companies, but in the advantage that comes indirectly to all in building up and supporting the home institution. This is no slight consideration to one who will give it thought and follow out the logic of the thing. A word to the wise, etc.

"By a thorough knowledge of the natural law which governs the operation of the human system, and by a careful application of the first properties of well-selected foods, Mr. Eppe has provided our breakfast tables with a deliciously flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
